*The Test will comprise of 100 multiple choice questions, drawn from all the branches of Chemistry (analytical, inorganic, organic and physical). In addition, there will be a few questions with emphasis on mathematics and physics. Four choices will be provided for each question and the correct or the best possible answer is required to be chosen. All questions carry equal weightage. Each correct answer will fetch three marks while one mark will be deducted for every wrong answer. Hence guessing will be counterproductive and should be avoided. The duration of the test will be 2 hours.*

✓ **Participation Certificate will be provided on the spot to all students appearing in AT-2024.**

✓ **Top ranker of the AT-2024 will be felicitated by Award certificate during Award function.**

*(A limited number of spot registration will be allowed for those who could not Register online. CANDIDATES REGISTERING ON THE SPOT WILL GET THE PARTICIPATION CERTIFICATE AT A LATER STAGE.)*
